Dear EnVision Proven Success Supporter:

We greatly appreciate your willingness to fortify our mission and assist the women we empower! Enclosed, you will find the necessary information to host a successful fundraiser at your workplace or within your organization. We request submission of details prior to your event's commencement.

Also included are current donation requests to distribute to contributors, and a donor information sheet; we request each donor to complete with their donation to obtain a tax receipt. EnVision Proven Success is a registered 501c3 non-profit organization and all contributions are fully tax-deductible of the law.

Your support is a vital component of our continued success, serving low-income women who are breaking out of the confines of poverty and moving steadily towards self-sufficiency. All services and programs provided are free of charge for every woman we serve. We would not be able to assist our clients without your support.

If you have any questions regarding your fundraiser and/or to coordinate an event, contact Leah Bashaw at (614) 344.1188 or email eps@envisionprovensuccess.org.

We are grateful for your philanthropy and look forward to working with you!

Make it an EnVision Proven Successful day!
